### Strategic Defense Solutions:

The mission of Strategic Defense Solutions is to provide value added services and assistance to government and industry customers while providing employees with an ethical, highly respected organization that fosters both professional and personal growth. The Strategic Defense Solutions leadership is focused on managing an environment of personal commitment to customer success while being recognized for its contributions to the customer community.

In keeping with this mission, SDS strives to provide quality products and services to our war fighters and public safety professionals to help ensure they have the equipment necessary to accomplish their missions. Whether a Soldier on the battlefield or a Police Officer patrolling our streets, the protectors of our way of life face constantly evolving threats. We, the SDS family, are here to provide quality armed security services and state of the art products to help our country's fight against terrorism, armed aggression and lawlessness.

**"The trouble with the laws these days is that criminals know their rights better than their wrongs."**

# EOD / BOMB SUIT

The EOD / Bomb Disposal Suit offered by MRS is a state-of-the-art garment specifically designed to give the highest level of protection with the maximum comfort and flexibility to the user at an affordable price.

The ballistic levels and materials used in the various components of the MRS EOD Bomb Disposal Suit are tested and evaluated to the full quality assurance standards laid down by the appropriate Government organizations.

The suit is in service with many EOD Teams throughout the world and as such has proved itself operationally on numerous occasions. The MRS EOD suit protects against:

- Overpressure
- Shock Waves
- Primary and Secondary Fragmentation
- Displacement Force
- Heat / Fire

**\$12,637**

## Suit Features:

- Ballistic inserts made from multi-layered water-repellent Aramid
- Outer cover - Nomex® 111A Comfort or Kermel®
- Colors - OD Military Green, Navy Blue, Desert Tan or Black
- Easy donning
- Fully adjustable side fasteners
- Quick release mechanism for rapid removal
- Spinal protector
- Blast plates covering the chest and groin area
- Separate groin armor for improved flexibility when kneeling
- Utility pockets
- Wireless radio pouch on sleeve

## Helmet Features:

- Advanced Aramid molding technology
- Multi-impact laminated visor - Anti ballistic visor made from hardened acrylic polycarbonate laminate. Level IIIA
- Built in fan and respirator to stop fogging and allows air to circulate throughout the helmet
- Internal sweat management comfort fabrics
- Molded chin cup
- Suspension harness - webbing and ballistic nylon
- Small flashlight is provided on the front of the helmet

# EOD / BOMB SUIT

The suit consists of the following items:

- Trousers with elastic braces - adjustable in length and width with quick release zips or Velcro on the legs
- Smock (Jacket) with attached collar and groin protector
- Sleeves
- Overboots
- Hand protectors
- Blast plates covering chest and groin
- Throat blast plate
- Spinal protector
- Ballistic helmet, visor, fan / cooling system, helmet mounted light, integrated speaker and microphone
- Carry bags / cases for items listed above

Optional Items:

- Cooling suit
- Wireless radio communication system
- Hard wire communication system
- Video camera
